Construction CPM Conference News

07sep20 Vol. 2021 No. 13

In the Cirrus Cloud, Planet Earth

JANUARY 19 – 21, 2021

Planning for Virtual 2021 From Lemon to Lemonade

EDUCATION – TRAINING – NETWORKING – FUN

How will CCC21 be different?

EDUCATION: CCC21 starts NOW. Please enjoy two oldie but goodies:

- ▶ Fred Plotnick, PhD, Esq, PE on [No More Claims](#)
- ▶ Jim O'Brien, PE, PMP on [History of CPM](#)

Watch future Newsletters for more pre-Conference content as we build our platform

TRAINING: CCC21 introduces a Whole New Approach with our Exhibit Hall.

Groups of Five Attendees with similar attributes will interact with Exhibitors.

NETWORKING: CCC21 expands Dine to Network with Five New Friends™.

Chat with Five Friends™ for ten minutes then move to the next table with another five.

FUN: CCC21 brings fun Attendee interaction to a Virtual Conference.

Watch a Movie or Save the Universe or Sing Karaoke with Five New Friends™.

Learn to cook from a professional. Play BINGO with prizes. More FUN coming soon.

CCC21 is now building the supporting infrastructure

- We are partnering with Drexel University to use tools I use to teach my online courses, as well as other tools for real-time interaction among Attendees, Speakers & Exhibitors.
- [We are growing our list of early adopters for our Virtual Exhibit Hall Experience.](#)
- [We are offering Early Early Bird pricing of \\$450 to attend all events leading to JAN 19-21.](#)

And now a word from our Sponsor and Host:

FREDRIC L PLOTNICK, PhD, Esq, PE hosts our Construction CPM Conference from his corporation **Engineering & Property Management Corporation** (aka “**EnProMaC**”) as the *Choreographers for the Construction Industry™* since 1983.

FRED and **EnProMaC** also assist contractors build [Logic Networks designed to speed construction](#), a lot of [Recovery Schedules](#) and Time Impact Evaluations in these post-Covid times. We also assist contractors and owners with [preparation and presentation or review and rebuttal of claims of delay or of disruption](#). And [we assist the developers of our software tools to improve their offerings](#). We are [available to assist you](#) or to provide training in these fields. For more on FRED visit <http://fplotnick.com/FredPE.htm>.
