

# Construction CPM Conference News

18oct20 Vol. 2021 No. 15

In the Cirrus Cloud, Planet Earth

JANUARY 19 – 21, 2021

## Launching CCC21 First Event Set for Next Week

### **Continuing the Great Debate – Are We Done Yet?**

**This AACE Presentation features a panel of Owner representatives and Contractor scheduling managers, discussing, and comparing their interests, goals, actions, and scheduling options during project closeout. Our debate will include such topics as substantial & final completion, partial or beneficial occupancy, a Contractor's right to finish early, commissioning & closeout, change management, the punch list, and liquidated damages. Emceed by John Orr & Jeff Milo.**

**[Watch the Presentation Again](#)**

**Free to Past Attendees and on Mailing List**

**Then Join In the Debate**

**Open to 2019 Attendees and those [signing in](#)**

**Interactive Discussion and Debate**

**Powered by Drexel University Engineering Management**

**and plan to join us for our entire 2021 program  
EDUCATION – TRAINING – NETWORKING – FUN**

## How will CCC21 be different?

**EDUCATION: CCC21 starts NOW. Please join our Great Debate:  
Are We Done Yet? Contractor v Owner – Substantial v Final Completion  
Originally presented in 2019 – Replay with Commentary by Authors  
Open for Continued the Debate via Drexel University Discussion Boards**

FREE to a limited number of Attendees from 2019 and all those signed up for 2021  
Keep posted for further instruction in coming weeks

**TRAINING**: **CCC21 introduces** a Whole New Approach with our Exhibit Hall.  
Groups of Five Attendees with similar attributes will interact with Exhibitors.

**NETWORKING**: **CCC21 expands** Dine to Network with Five New Friends™.  
Chat with Five Friends™ for ten minutes then move to the next table with another five.

**FUN**: **CCC21 brings fun** Attendee interaction to a Virtual Conference.  
Watch a Movie or Save the Universe or Sing Karaoke with Five New Friends™.  
Learn to cook from a professional. Play BINGO with prizes. More FUN coming soon.

## **CCC21 is now building the supporting infrastructure**

- We are partnering with Drexel University to use tools I use to teach my online courses, as well as other tools for real-time interaction among Attendees, Speakers & Exhibitors.
- [We are growing our list of early adopters for our Virtual Exhibit Hall Experience.](#)
- [We are offering Early Bird pricing of \\$500 to attend all events leading to JAN 19-20-21.](#)
