Returning to Orlando January 16 – 19, 2022

## Announcing Continuing 2021 Conference

CCC (Construction CPM Conference) and the Plotnicks are saddened to announce the [passing of James J. O'Brien, PE PMP](#), 20oct29 to 31dec20.

We are upon our 2021 Conference. Last Wednesday we had all 2021 Paid Attendees and Select prior Attendees from our 2020 and prior Conferences join us for a Day of Networking with Affinity Groups.

When you Register you are requested to CLICK your membership (or interest) in various technical or professional associations. You are requested to CLICK involvement in various industries such as TALL BUILDINGS or HIGHWAYS or OIL&GAS. You are requested to CLICK to indicate use of various SOFTWARE OFFERINGS. Using Excel AutoFilter, we then placed our current and select prior attendees into one or more Affinity Groups.

Groups were sent invitations to half hour Zoom meetings throughout the day to converse on their Affinity. Meetings were recorded; compliments and constructive criticisms are being shared with various software providers. We are pleased to have been able to provide this NEW experience to Attendees going beyond that provided in a face-to-face event.

And so we will continue through this 2021 year and up to our planned 2022 live conference to repeat this event, choosing perhaps different and some similar groupings.

FOR OUR 2021 CONFERENCE we have again regrouped, resized, and redefined what we believe is best for Attendees as well as Speakers, Exhibitors and Sponsors. All questioned agreed that WE are tired of Zoom Webinars at set times which may be presented as on-demand offerings. And yet we all want the interaction of a live Q&A experience. Voila! We have posted the lectures to watch on your own schedule then ask you to convene next Tuesday January 19th at 1100am, 1230pm, 200pm EST (or 800am, 930am, 1100am PST) for Q&A with selected Authors. Please view:

[http://constructioncpm.com/At-A-Glance/at\\_a\\_glance2021a.htm](http://constructioncpm.com/At-A-Glance/at_a_glance2021a.htm)

and then join in the Q&A. (Available to 2021 and select 2020 Attendees.)

We are continuing negotiations for our live 2022 Conference now planned to be back at Disney World Florida (and Disney's 50th Anniversary Celebration.) All sponsors and exhibitors for 2021 are already pre-enrolled and pre-paid for Conference 2022. Our 2022 Website will be up soon.
