

# Construction CPM Conference News

01AUG21 Vol. 2022 No. 6

Returning to Orlando January 16 – 19, 2022

## Continuing 2021-22 Events

**Orlando Area resorts are still struggling to see who will be willing to travel to a non-essential meeting and even as to who will still be in business.** Many venues, such as those owned or affiliated by Disney have stricter rules than the Florida government; our 2020 B Resort ownership is even stricter. **Our latest word is to look for further updates by October.** With roughly 12% of our Attendees from overseas, we must also be cognizant of international travel restrictions and attitudes.

**We are therefore watching, waiting and planning a bifurcated program of Virtual or Online curricula while determining safety issues of a Live event.**

**Our Virtual component includes inviting our “CCC” community to share pre-recorded content to be presented in an asynchronous manner over several weeks on your schedule, followed by several days of live Q&A with Content Providers and live networking with each other.** For those presenters who are more comfortable with a live audience, or whose presentation requires a live audience for live interaction, we may create several dates where the set time Zoom Room model is utilized, recording the proceedings for asynchronous viewing by our larger audience.

**We intend to provide our asynchronous content without charge to prior attendees of Construction CPM Conference.** This may include colleagues and other employees of those Attendees whose firms previously subsidized employee costs. A nominal fee may be charged to join “live” components such as Q&A, and for new members of our community. The costs of these efforts are being supported by our [Sponsors](#) including [Drexel University](#). Please consider joining these [Sponsors](#).

**So please visit our website [http://constructioncpm.com/At-A-Glance/at\\_a\\_glance2022.htm](http://constructioncpm.com/At-A-Glance/at_a_glance2022.htm) to view content as such is posted.** Once we reach a critical mass of content we will schedule another Live Zoom Meeting to Meet the Speaker for Q&A and Comment.

**Be well – get vaccinated and yet maintain safe conducts – enjoy life.**
