We are [seeking additional Presentations](#) and Speakers for Zoom Q&A

Feedback from YOU suggests Summer vacations support a hiatus from Zoom meetings until September. But THEN we have a real treat for you. Jim Zack will be posting in coming weeks a Treatise and Ninety minute Voice-over-PowerPoint on **Differing Site Conditions** to view and then join him on September 12th for Q&A. This will be again presented **LIVE** on January 17th at our Construction CPM Conference but only for a 75 minute period including Q&A, but then to be followed by a Happy Hour where you can further quiz Jim over a drink or three.

Do you have content to share for 17sep22? [Send a TITLE and Abstract.](#)

**Participation is FREE to Past Attendees** and to others from your Sponsoring Employers. Thank you to [Drexel University](#) and our other [Virtual Exhibitors and Sponsors](#) for technical and financial support.
