

Construction CPM Conference

January 15-18, 2023
at the B Resort Disney World FL

2023 is over and yet just Starting

Attendees have completed the last class, last drink, and last thrill ride. We are all wondering where we may experience CCC24. The real work now begins for FRED to upload and download the taped recordings of the classroom presentations, edit and re-render to MP4s for post conference viewing. Attendees desiring to claim PDH credit for CCC23 continuing education may now do so.

Construction CPM Conference
Where Professional Planner Schedulers Gather
to Discuss and Improve Critical Path Method Analysis Knowledge

Continuing Legal Education
approved for our 2023 conference
by the Florida Bar course #2300117N
19.5 Construction Cert - 1.5 Ethics

View Powerpoints and Videos
for 2020 Sessions [CLICK HERE](#)
for 2021 Sessions [CLICK HERE](#)
for 2022 Sessions [CLICK HERE](#)

Click to REGISTER your earning of continuing education hours at the top right of our HOME PAGE. The password remains "MOUSE" which will also continue to access our Attendee List. Now simply fill in which sessions you attended and your assessment of the presenter, and print your Certificate of Completion.

BUT WAIT THERE IS MORE

Once we have loaded the videos of sessions you attended at the B Resort in Orlando (or those in the room next door you wished to attend) we shall add that line to the [VIEW PowerPoints](#) box to allow your view. And then we shall invite back select Speakers to host additional Q&A each month as we did in 2022 at http://www.constructioncpm.com/At-A-Glance/at_a_glance2022.htm#ZoomQA. We aim to make our Construction CPM Conference your provider of Continuing Education and training twelve months each year.
