Still accepting Speakers on Theory & Practice of CPM

for Tracks on Theory, Innovation, Litigation, Oracle, Deltek, ASTA, Desktop Apps, Agile and More

Still accepting Sponsors & Exhibitors

**This Newsletter to focus on Delay and Disruption.** Several Speakers offering to Share Knowledge Delay sending abstracts which is disrupting our posting of their participation. So we are still showing several sessions unfilled and subject to accepting a replacement. See [http://constructioncpm.com/At-A-Glance/at\\_a\\_glance2024.htm](http://constructioncpm.com/At-A-Glance/at_a_glance2024.htm). And many past Attendees reading this newsletter are delaying making the commitment to again join us this year. Hey! It is now December. Our under \$200/night room block will expire soon; so reserve your room now (and if you must you can cancel.) Do plan to stay Wednesday night and post classes join SmartPM for drinks or Judge Marshall for dinner.

If you are a Speaker, please check your presentation Title and Abstract now. We are already preparing our Conference Booklet. If you are an Exhibitor or Sponsor, we need your AD for the Booklet. Consider joining our Dine with Five New Friends™ program if you did not during REGISTRATION. Consider to add bringing a Companion? Or check with our Concierge for other fun in San Antonio.

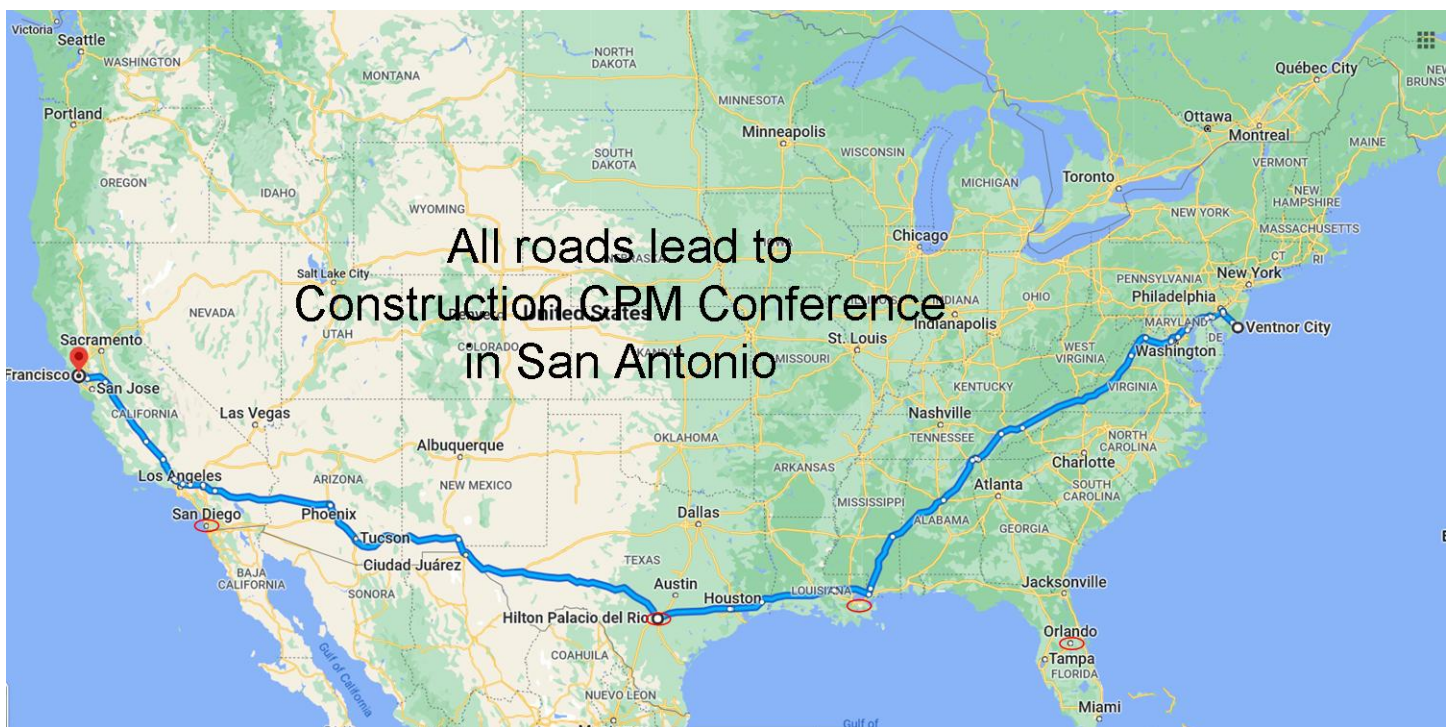

Or better than considering .. Don't Think .. DO.

Zachry is hosting our **FREE TRANSIT from Airport** and **Welcome Reception** on Sunday

Monday SmartPM is hosting our **Happy Hour** 450-630pm, then Zachry hosts **River Walk Boat Tours**, dropping Attendees at choice of **Dine with Five New Friends™** or other restaurants, and then **Ron Winter's Cigar Party** starts at 9pm. Is the report reality or just **Smoke and Mirrors**?

Tuesday ASTA (Powerproject and More) is hosting our **Happy Hour** 450-630pm, then another evening to enjoy **Dine with Five New Friends™** or other restaurants, and then excursion at **Dave & Buster's** Virtual Reality, drinks and more. Can you fly the canyon in 02:15? Forget 3G 4G 5G - this is 10G!

The **EDUCATION KEEPS GROWING** but we still room for Newbees to share!
